

# NEWS AND VIEWS

PUBLISHED MONTHLY

JANUARY 2011

## NEW YEAR, BRIGHT FUTURE!

On September 13 of this past year, Lafayette Industries celebrated **35 years** of providing employment opportunities to adults with developmental disabilities. We look at this coming year with enthusiastic optimism and a renewed sense of purpose—striving to improve and continuing to expand our service to our current and “future” workers. This past year, we completed the renovation at North and now have a facility that we all can be proud of. West became ISO: 9001:2008 certified; we expanded our business operations, enhanced our supplementary programs to our workers funded by our generous donors; we received a Certificate of Excellence from our major customer—even making the ‘finals’ for “Vendor of the year”); expanded our customer base; *hired more workers—which is what we are all about!*—and even started an after hours music/glee club! During this coming year, in addition to our 35 year celebration, we are currently in robust discussions to obtain approval for designing an expansion at North that will increase our operation 20%; we will shortly launch our redesigned website; we have a new fun event (see inside!) that will supplement our programs of free lunches and other worker enhancements; and of course, continue to hire more deserving adults waiting to become part of the Lafayette ‘family’!

I want to personally thank all of those who have contributed to our Annual Appeal. Your generosity has provided our workers with a valuable life long asset, a job that they can call their own, as well as our enhanced programs of free lunches, work recognition, improved work spaces, and our wellness programs. The Appeal runs through the end of January, so please consider us in your giving this year if you haven’t done so already. We also have had inquiries on how to donate stock to Lafayette Industries and to set up a Charitable Trust that will benefit Lafayette. If you are interested in doing this, please give Mary a call at ext. 1127.

And remember, at Lafayette Industries: It’s all about our workers! And from our workers, they would like to say:

*We sing your Praises!  
Thank you!*

Rob Libera  
Executive Director  
rlibera@lafayetteindustries.com

**Mission:** The mission of Lafayette Industries is to provide employment opportunities to persons who are developmentally disabled / mentally retarded and persons with other disabilities who are 18 years or older.

**Goals:** ♦ To provide a meaningful and productive work experience to persons who are disabled ♦ To maintain a safe and pleasant work environment ♦ To teach and to train persons with disabilities to acquire better work habits ♦ To enhance self-worth and dignity through employment ♦ To provide high-quality business service through packaging, light assembly and commercial mailings ♦ To operate the center in a professional, fiscally responsible manner ♦ To provide fair wages and good benefits

The start of a new calendar year is often a time for reflection on the past year and resolutions for the new. The Fraud Prevention Taskforce would like to offer some suggestions to help you protect yourself from frauds, scams, and Identity Theft in 2011.

**Your Purse and/or wallet:**

Thieves are more interested in your personal financial information than in your cash. Go through your wallet and purse, remove the following and lock them up at home:

- Any document containing your or any family member's social security number
- All but one credit or debit card
- Your checkbook
- Any PIN or code numbers

**Credit/Debit cards:**

- Sign all debit/credit cards as soon as you receive them.
- Never use a debit card when traveling.
- Xerox the front and back of all credit/debit cards and keep that info locked up securely.
- If card(s) are lost/stolen, report this immediately to the issuing company.
- Contact the bank/credit card company immediately if your statement is late.
- Use your debit card in the 'credit' function, without entering your PIN whenever possible.

**Computer Safety:**

- Always have a secure browser, virus protection and firewall protection.
- Use strong passwords, consisting of upper and lower case letters, numbers and symbols. Keep these passwords stored on a "flash drive" locked in a secure container.
- Never respond to an email:
  - from an unknown source
  - from a known company with a vague greeting
  - asking you to click on a link
  - threatening negative action

**Home and Vehicle Safety:**

- Purchase a crosscut or diamond shredder, shred any document with your name and/or a number on it before it goes into the trash.
- Always lock your car and set the alarm, even in your garage. Do not leave a garage door opener in a car parked outside the garage.
- Carry your insurance card and registration in your purse or wallet, not in the glove box.
- Ask for copies of your credit report yearly (877-322.8228 or annualcreditreport.com).

**ROBIN CORPORA TAKES PART IN A WEDDING**

By Jane Corpora (Proud Mother)

On November 12th, Robin was a bridesmaid in the wedding of her cousin Courtney, who is like a sister to Robin. The wedding had a retro theme, complete with zoot suits for the groomsmen! Robin looked lovely in a teal dress that had champagne accents. She didn't catch the bouquet, but she did have a great time dancing the night away!

**SERIOUS SNOW.....:** By the time you get this newsletter, we will be into January and winter will have been well underway for a while. Folks who grumbled about the heat during the thick of summer's temps will be the same ones grumbling about the cold temps. This is the reality of St. Louis weather. Karen Van Berkel, our sales manager, has a brother who lives in Meadville, Pennsylvania, which is halfway between Erie and Pittsburgh, Pennsylvania. What is so special about this town? Well, it receives snow. Not just some snow, but **LOTS** of snow. Pictured here is a recent 4-day snowstorm in which **41 inches of snow** fell during this time period. So if you begin finding yourself getting a little tired of the St. Louis weather, just remind yourself of Karen's brother stuck in all of this snow. She said that during this time that schools were open. That wouldn't be the case in St. Louis. Maybe her brother can teach St. Louis folks about how to deal with bad weather of this kind and our attitudes towards it.

## JANET PRITCHETT'S RETIREMENT PARTY

Everyone looking forward to a good meal

Janet receives a retirement present from a well-wisher

Janet's bags are ready to travel

On Monday, November 29<sup>th</sup>, everyone who was able to make it showed up at the Casa Gallardo in Des Peres to bid farewell to Janet Pritchett as she was retiring soon after her dinner. It was less than a stellar night, with a cold rain falling. However, it didn't dampen anyone's spirits as we gathered to pay tribute to a one-of-a-kind co-worker. No matter how busy she was, Janet always had a smile for everyone. She was patient and kind with everyone. She also always seemed to have the answer to just about any question people would ask of her. If she didn't have an answer readily available, she would always get back to you in a timely fashion. Appetizers were laid out for everyone to snack on, followed by an excellent dinner. Finally it was time to begin winding things up. Janet was presented with a set of luggage for all of her postponed trips. Now she will have time to make some of those journeys she was unable to make before because of time issues. Janet, we wish well on your future endeavors. Come by to visit us every now and then. We certainly know where you live... (Is this a threat or a promise?).

his sidekick, Buzz Kyger, and lo and behold a new Mail Slot Organizer showed up on Becky's doorstep just in time for the Christmas rush of mail.

Chuck and Buzz custom-built the new organizer in Chuck's wood shop and custom stained and finished it to match the existing cabinets.

Hmmm? I wonder what Becky will wish for next year?

(Editorial note: Becky appreciates Santa's helpers a whole bunch!)

### BE CAREFUL WHAT YOU WISH FOR

By Chuck Udell

Well, Santa came to Becky early this year! Becky, our receptionist and the person that keeps all of the information flowing in our office, was speaking with Mr. Libera when he asked her what she wanted for Christmas. She replied that it sure would be nice to get some "Mail Slots" to help her keep all of the important information and documents moving to the right personnel within the Lafayette organization.

Well, word of Becky's request got to a couple of Santa's helpers. Chuck Udell and

## HALLOWEEN COMES TO LAFAYETTE NORTH

By Sheryl Hardy

October at Lafayette North proved to be very busy with a free lunch of Chili Dogs cooked on site by Chris's Cakes, chips & lemonade. Many took advantage of seconds, and the chance to get outside to enjoy the fall colors.

We had our first "Sticker Trick or Treat" stickers for each worker labeled with their choice of witches, ghost, goblins or celebrities to wear for the day. The supervisors gave candy out at the end of the day. Thanks to our parents who came to celebrate Halloween with donuts and stuffed ghosts or teddy bears for all the workers, as well as the staff. In all it was a Happy Halloween !!!

We also held our Open House on October 19<sup>th</sup>, and it was an opportunity to welcome families and visitors to our newly remodeled facility. We hope that everyone has had a great Holiday season, and that everyone has the best New Year ever.

Do you know what the difference is between a revocable trust and an irrevocable trust? Between “Guardianship” and “Power of Attorney”? Do know when to use one over the other? You worked hard to ensure your son or daughter has the best possible life — how do you ensure that lifestyle will continue after you are gone?

Have you asked yourself, “How do I leave money, or an inheritance, for my child without disqualifying him or her from Medicaid or SSDI? Do you know what a Trust can and cannot own? Which assets are the best to pass on to your son or daughter? How do you maximize the value of those assets?

These are among the topics that were recently discussed at a Lafayette Industries’ sponsored workshop for parents, siblings, and guardians of adults with special needs. Professionals in the fields of law, Special Needs trusts, and financial planning presented up-to-date information and strategies to assist in the planning for the future of those with special needs. For those that could not make the meetings, or those who did and have additional questions, you can obtain further information and help by calling Steve Heck at 314-746-2752.

Oh, and here’s a test: Which can a Trustee of a Special Needs Trust buy — groceries or a trip to Disney World? If you answered “groceries” — you are incorrect and may have jeopardized the recipient’s government benefits!

**HAPPY BIRTHDAY TO OUR JANUARY FOLKS!**

**SEEKING TICKETS AND OTHER ITEMS**

By Mary Beckerle

If anyone has season sports or theater tickets (or works for a company that has them), please consider donating tickets for auction items at the Lafayette Mouse Races. If you have tickets or other items you would consider donating, contact Mary Beckerle at 636-227-5666 x1127 or [mbeckerle@lafayetteindustries.com](mailto:mbeckerle@lafayetteindustries.com) by Feb. 17. We cannot accept used items or clothing. All donations are tax-deductible. Thanks, everybody.

**LAFAYETTE’S OWN TAX MAN:** This article is only for our Lafayette West employees. Dick Kallemeier, father of Leslie Kallemeier, offered last year to do taxes for Lafayette West’s employees last year. He had several folks that took him up on his offer. He’s looking to expand that number this year. This program is AARP / IRS certified. We are doing things a bit different this time around. We are putting out the word ahead of time and letting folks know about this service he has offered. Mr. Kallemeier will do for free the taxes of Lafayette West’s staff, immediate parents or guardians and sheltered employees. So when you are getting ready to do your taxes, you might consider his offer and call to sign up. He said that he will provide an informational / fact sheet of items that will be needed for the tax preparation. This sheet should take care of most questions that folks have. If you are interested, please call Becky S. at 636-227-5666, x1100 or email her at [bstillwell@lafayetteindustries.com](mailto:bstillwell@lafayetteindustries.com). We will be passing along the information we receive from you to Mr. Kallemeier. We won’t begin accepting appointment requests until the third week of January or January 17<sup>th</sup> and ending with the deadline being the second Monday of February or February 14<sup>th</sup>.

**JOHN LIBERA APPEARS AT LINCOLN CENTER** By Rob Libera

(My nephew and Godson, John, who played at our Hot Dog Day a couple of times, his band recently played at the Lincoln Center! Thought you might like to see the pics!)

In mid-November, the Kandoo band, featuring John Libera (all graduates of BHMA) was the opening act at a birthday party in Jazz at Lincoln Center for the person who ran the Belvoir Terrace summer camp where the Williams syndrome kids met and where the idea for the BHMA was born. The party raised funds for scholarships to the regular Belvoir Terrace camp, a summer music camp for girls.

**ST. JOHN'S UCC HOSTS PARTY FOR LWC WORKERS**

By Gloria & Wayne Marek

Waiting for the festivities to begin

Hungry folks line up to get lunch

Diane Montgomery gives her best carol

Every year the Youth Group of St. John's United Church of Christ invites the LWC workers to a Christmas party. Some of our workers have been attending this party for many years and look forward to the luncheon, seeing Santa, making a craft and interacting with members of the Youth Group. For some, this was a first-time event. Nearly all the LWC workers lined up for their time on stage, ready to entertain the others with their version of a favorite Christmas song. After a brief word with Santa the workers left for home with their craft and a candy cane in hand. Everyone was wished a Merry Christmas and told "see you again next year."

**25 YEAR ANNIVERSARY CELEBRATIONS**

WEST 25 YEAR RECIPIENTS

NORTH 25 YEAR RECIPIENTS

Lafayette has the hardest-working folks in the world, but they also have some of the most loyal folk in the world. If you go to other major corporations, you would not find nearly so many people celebrating 25 years of work as we have at our two workshops this year. This year's group is one of the largest that we have had. There were 10 people in all that celebrated their 25<sup>th</sup> anniversary - six at West and four at North. The day they held the celebration was the day that St. Louis had an ice storm, so there are some folk missing from the pictures above. When someone at Lafayette celebrates this particular anniversary, they get a special celebration in their honor where they are presented with a nice, engraved watch and a cake. Their families come, and they get their picture taken together. Congratulations to everyone who has reached this milestone in their life. We have listed below the names of the people from each workshop and when they celebrated their 25 years: **WEST:** Danny Moorhouse - 2/4/1985; Michael Siddle - 2/11/1985; Sam Biondo - 4/29/1985; Shawn Gavin - 9/23/1985; Leslie Kallemeier - 9/23/1985; Fred Muehlenbeck III - 12/2/1985. **NORTH:** Dennis Reuber - 1/21/1985; Deborah Asher - 7/1/1985; Timothy Cagle - 11/4/1985; Arthur Lish - 11/4/1985. Congratulations to all of you, and we hope you have many more years with Lafayette.

## KNIGHTS OF COLUMBUS MARIAN COUNCIL #9522 DINNER

Lafayette Tootsie Roll volunteers go extra mile

Crew from Lafayette stand beside Rob

Every year Lafayette Industries North and West help the Knights of Columbus in North County and West County to collect funds for the Tootsie Roll drive. These organizations contribute in a big way to Lafayette North and West. Recently the dinner was held in which the Knights of Columbus Marian Council #9522 gave its annual donation to West from the Tootsie Roll proceeds. The volunteers this year were Sherri Farmer, Jim Eppel, J. T. Farmer, Mary Beckerle, Lizzie Simpson, Dennis Richter, Janet Pritchett, Pat Emde, Kathie Boyer, Linda Hantak, Rob Libera, Dan Libera, Dick Kallemeier, Fred Gaglio, Gloria Marek, Wayne Marek, Craig Marek, Karen van Berkel, Ann Kelly, Becky Stillwell and Nancy Taylor.

Since J.T. Farmer was a newcomer to the process, we asked him if he'd be willing to do a short interview of his impressions of the whole Tootsie Roll process. J. T. took a 2-hour shift at the Shop 'n' Save at Big Bend and Highway 141. He spoke with lots of people as they came into the store. He found them, warm-hearted for the most part. A lot of times the people would make a donation to the Knights, but turn down the Tootsie Roll. One lady stood and talked with him for 15 minutes while her husband went to get their car. He would recommend the experience for others, even though the weather wasn't ideal this year.

When he went to the dinner in early December, he said that the Knights were very friendly, and talked with him as if they had known him for years. The group dined on the excellent choices of pork tenderloin, fried chicken, Texas and scalloped potatoes, rice pilaf and a huge selection of desserts.

Then came the focus of the evening - where the Knights handed out the checks for the year to the various agencies represented. J.T. said that Rob got up and talked about Lafayette's appreciation of their support. He gave a review of what Lafayette does, and how both workshops have grown. Then he had everyone who came with him or connected to Lafayette to stand with him up in the front. This gave the Knights some idea of the size of the group and how it's gotten bigger every year. As always, the Marian Council came through in a big way for us. We hope that next year more people will be willing to come out and help the Knights during Tootsie Roll collection time. It always takes place in October, so please mark your calendars and come on out and give us a hand. J.T. did, and he said he'd recommend it. It only takes two hours of anyone's day, and the cause is a worthy one.

**DID YOU KNOW THESE?:** More uses for Alka Selzer - 1) Clean a thermos bottle. Fill the bottle with water, drop in four Alka Seltzer tablets, and let soak for an hour (or longer, if necessary). 2) Unclog a drain. Clear the sink drain by dropping three Alka Seltzer tablets down the drain followed by a cup of Heinz White Vinegar. Wait a few minutes, and then run the hot water. Makes you wonder about ingesting Alka Selzer, doesn't it? Do your friends a favor. Pass this timely (and some not-so-timely) information on to a friend! We just did.

### FELICE CUORES CELEBRATES 10,000<sup>TH</sup> GUEST

Every month Felice Cuores holds its dances at St. Clare of Assisi School. Countless folks have gone faithfully to these dances and never missed a single one. After a while that adds up to lots of people who have come through their doors. This month they reached the milestone of receiving the 10,000<sup>th</sup> person coming to the dance. Lafayette's own Sarah Hartrich was the person to receive the honor and recognition for this event. She received a certificate to commemorate the occasion and a Santa hat that read "10,000" on the front. Thank you to the Knights for providing this entertainment for our folks, and congratulations to Sarah for being in the right place at the right time.

**\*\* Check us out on our website: [www.lafayetteindustries.com](http://www.lafayetteindustries.com) - opening page, last bullet on the right hand side is the newsletter bullet - pictures there are in color\*\***

## WE'RE OFF TO THE RACES!!

*Never been to a mouse race?* They're a blast! It's just like an evening at the racetrack, but the horses are replaced by mice. For each race, 6 mice are placed in a large glass display case so everyone sees the action. The buzzer sounds, the gates are lifted and they're off!

There's also 50/50 mouse roulette where the dice are replaced by mice. Players place their ticket in one of the 50 slots around the perimeter of a 6ft. roulette wheel. A mouse is unveiled in the center of the wheel and the wheel is spun. The first slot the mouse enters is the winning slot.

There will be a taco station and other snacks included in the \$20 admission price. There will also be a cash bar (Lafayette workers will get a free soda ticket). Other activities will include a silent auction and raffle.

We guarantee betting on these mice will get your adrenalin flowing. If your mouse *wins, places* or *shows*, you're a cash winner! In addition, while you're having fun socializing with your friends and family, you're also contributing to a great cause – adults with developmental disabilities. It's a WIN-WIN for everyone.

*You don't want to miss this fun event!* Attendance is limited to 250, so make your reservations early. Registration forms will be available starting January 24<sup>th</sup> at the front desk, and registration forms will also be included in the February newsletter.

Please feel free to contact Mary Beckerle at [mbeckerle@lafayetteindustries.com](mailto:mbeckerle@lafayetteindustries.com) or at 636-227-5666 x1127 with questions.

# SAVE THE DATE!

## LAFAYETTE INDUSTRIES' FIRST ANNUAL MOUSE RACES

Saturday, Feb. 26, 2011

Doors Open 6:45 First Race 7:30

Elks Lodge #9

12481 Ladue Rd.

\$20 admission per person

Invite your friends and family for a fun evening  
to benefit Lafayette Industries

We would like to thank the following for their continued support of the LWC Auxiliary through the payment of their 2011 dues. If you have not yet submitted your's, it is not too late; just send your check or cash for \$25, along with the form below to the LWC office:
