## BE ADVISED

We have been trying to get our message through to Representative Cori Bush since she took office. We have had a very difficult time and very little success. We recently learned from one of her senior staffers that *Rep Bush remains “undecided” on her stance on 14c/Sheltered Workshops*. They claim to be hearing mostly from those who believe in closing sheltered workshops!

She will be voting on the bills listed above very soon – any of which could close sheltered workshops. She needs to hear from you, HER CONSTITUENTS, immediately.

## TAKE ACTION NOW!

1. Send a personal statement to Rep Bush.
2. Use for your subject line: SAVE 14C – My Job, My Choice!
3. Tell your story ... Explain why you CHOOSE Sheltered Workshops for your employment. *Let her know you are her constituent* and invite her to your workshop!
4. Send your emails to EACH of the following offices:

Saul Levin, Legislative Assistant  
Abbas Alawieh, Chief of Staff  
Lynese Wallace, Legislative Director  
Miranda Jones, Regional Director
